NAUI Instructor Trainers, Course Directors and Course Director Trainers are required to complete periodic training to maintain these designations. This workshop reviews revisions to NAUI standards and important updates regarding NAUI leadership and instructor training courses. Instructors who successfully complete this workshop will be requalified at their current designation through December 31, 2022. This workshop is also open to all NAUI members who plan to conduct or staff NAUI leadership and instructor programs, or those seeking their own professional development. Workshop fees include all required materials.

**Prerequisites:**

This workshop is open to all NAUI members. Designated instructors (IT, CD, CDT) in emeritus status may requalify at their previous designation after successfully completing this workshop and a Training Department review. Requalification eLearning must be completed before any designation is renewed. All attendees will be provided with an eLearning activation code upon registration. Your membership must be active to attend a workshop.

**Fees\*:**

\$195 Pre-registration

\$225 Late registration: Seven days or less prior to workshop date, based on space availability.

**Materials and Equipment:**

All materials will be provided during the workshop. This is a full-day classroom workshop, there will not be a confined water session.
